## Transport safety certificate

Date - 04/04/22

This is to certify that the drivers of North Star Public School have undergone a training program help by PSN automotive marketing Pvt. Ltd.

The drivers attended the workshop for training and have been trained for safely and handling of situations during emergencies designed especially to handle the children on the bus under all situations. The session contained training for driving skills, traffic rules and regulations, driver behavior and road safety issues. The training session was extended to all housekeeping staff and lady bus attendants also.

This workshop was conducted by experienced team of teachers who have been training drivers over many years.
